Organic Weakness,

Immediately cured and full vigor restored.

This dreadful disease is the penalty most frequent ly paid by those who have become the victims of improper indulgencies. Young persons are too apt to commit excesses, not being aware of the dreadful consequences that may ensue. Now, who that under stands the subject will pretend to deny that the power of procreation is lost soener by those failing into improper habits than by the prudent. Besides being deprived the pleasure of bealthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental powers weakened, nervous debility, dyspenia, palpitation of the heart, indigestion, twasting of the frame; cough, symptoms of consumntion, ac.

A Certain Disease.

When the misguided and unprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense oshame or dread of discovery deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their sperance, such as ulcerated sore throat, diseased nose nocturnal pains in the head and limbs, dimness or sight, deafness, nodes on the shin hones and arms blotches on the head, face, and extremities, progressing with frightful rapidity, till, at last, the palate of the mose fall in, and the victim of this awful disease becomes a horrid object of commisseration, till death puts a period to his dread all sufferings by sending him to "that bourne from whence no travaller returns." To such, therefore Dr. Johnston pledges himself to preserve the most inviolable secredy; and, from his extensive practice in the first hospitals in Europe and America, ne car confidently recommend a safe and speedy cure to the unfortunate victim of this horrid disease.

It is a melancholy fact that thousands fan vicument to this dreadful complaint, owing to the maximum ness of ignorant pretenders, who, by the use of this deadly poison, successive, ruin the constitution, are either send the unfortunate sufferer to an uniment grave, or else make the residue of life miserable.

HAS NO EQUAL IN THE WORLD.

I have used it constantly in my practice for upwards of ten years in all cases where a good physic and alterative was required, and would not now do without it. It is the Physician's Assistant, as well as the safest family medicine in use. Children drink it with pleasure. It will not nauscate the weakest stomach. It produces no griping, but operates easily, thoroughly, and is sure to eradicate all impurities from the aystem if it is properly taken. Already thousands of living witnesses are ready to testify to its auperior virtues, independent of its purgative and anti-bilious qualities. It has cured the worst cases of Erysipelas in a few days. It is a never-failing cure for Headache, Liver Complaint, Jaundice, Kidney Complaint, Bilious Fever, Pains in the Side, Back, Breast, and Limbs, Colds, Cramps, Worms, Lambago, Blotches on the Skin, Pimples, Cutaneous Eruptions, Obstructions in the System Constipation of the Bowels, Dizness, Mercurial Diseases, Pleurisy, Female Irregularities, Bowel Complaints, Ulcers of all kinds, &c. It cleanses by its superior medicinal virtues, the ulcerous humor from the blood and corrupt bile from the stomach, carrying it off through the natural channels; it invigorates the blood and leaves the system healthy. I ask my friends to test the above medicine, and pronounce a verdict as they shall be impressed by the evidence. Those who know me professionally will not doubt its worth.

Since its first introduction, no medicine has attained such wonderful popularity, and as sales have increased beyond the most sangaine hopes of us friends. Neighbors recommend it as a sale and anequalidated where the stomach carrying it with them. Children will take no other in their familes. People living in low and marshy countries, subject to deady misams, where Fevers, Ague and Fever, and bilious complaints are more apt to be, will find the "Liquid Cahartic" the most potent remedy y

DR. BROTHERS' BHEUMATIC PILLS.

These Pills are very efficacious in every case of Rheumatism, whether acute or chronic; and I am satisfied, from my own observation of their great efficacy in the worst and most obstinate cases, that they are not surpassed, if they are indeed equalled, by any other pills of the kind in existence; they attenuate viscid humors, remove obstructions, regulate the system, purify the blood, and thus cure the complaint. The Rheumatic Liquid used with the Pills to bathe the parts affected, will very much facilitate the cure. When the case is very obstinate, and does not yield readily to the above medicines, a Syrup wade from the Alterative Powder, (which can be obtained at the same place with the Pills and Rheumatic Liquid,) muct be taken according to directions accompanying it; but in most instances the Pills alone, or the Pills and Liquid, will remove the complaint in a short time. derangement of the bowels, and consequently the Piles.

Most of the remedies now in use for this dangerous and painful affection, are directed to be applied externally; they do not remove the cause of the complaint, and can therefore afford only temporary renef. Again, the disease is often beyond the reach o aid from external applications, an objection to which this remedy is not liable, it being taken internally. It is perfectly safe, pleasant to take, mild and easy in its ongration, and affords immediate relief.

It is equally efficacious in curing both the Blind and Bleeding Piles. If the bowels are left costive after the use of this medicine, a little physic may be taken to regulate them. Having been trying the All-Healing Ointment in some very bad cases of Piles, I hesitate not to assure the afflicted that it is a very valuable medicine, and an inestimable auxiliary to the Electuary. I consider it the best external application, I have ever known. The Electuary is an internal remedy, and the Ointment as an external application, used in connexion, I doubt not would be effectual in the most obstinate cases, and must surpass in all instances any other remedicas for Piles to be found. This Medicine possesses the power, in a vore markable manner, of neutralizing the acidity of the Stomsch, or reproving the morbid or acrid secretary of the Liver, which are the exciting causes of bowel complaints in general. It allays sickness of the stomach, removes the pain, causes healthy evacuations from the bowels, at the same time acts as a gentle astringent. TESTIMONY FROM NORTH CAROLINA.

TESTIMONY & A.O.M NORTH CAROLINA.

Certificate of Dr. W. Smith, of Pins Hill, Rich mond County, North Carolina.

Pinz Hill, March 4, 1854.

Dear Sir: I have been a subject of Dyapepsia, in its worst form, for the last five years. Such was my condition for twelve months that the physicians and all who saw me said I must die. While in this condition, I was carried to the watering places in Virginia, Tennessee, and North Carolina, but was not benefited by any water to which I was taken. While on my way home, I stopped a week at Ruthertordton, a small village in North Carolina, to try the effect of some Chalybeate water in that place. About the last of the week I went into a drug store to get some medicine for my child and myself. There were several of the village physicians in the store, and one of them seemed to take some interest in my case, and, after asking me some questions, said he had been a dyspeptic, and had been greatly benefited by the use of "Hooffand's German Bitters," prepared by yeu, and he insisted that I would try the Bitters. He also called the next day at my room, and insisted so much that I would try them that I asked him to get me one bottle. He did it, and I commenced taking it as directed, and I was more benefited by it than all the water and medicine I had ever taken.

After reaching home, one of my neighbors came to me for a prescription and medicine, (he a dyspeptic,) and I gave him nearly all the Bitters I had left, which effected much good in his case. He has often called on me for more of the same kind of medicine, saying he was more benefited by it than any other he had taken, but I have not been able to get any more for him or myself since. Will you, therefore, please ship me a dozen or more as soon as possible.

Respectfully, yours,

Dr. C. M. Jackson, Philadelphia.

D. R. Hooker, Roger's Store, Wake county, North Carolina, October 24, 1852, says:

"Having experienced very great benefit from the use of Hoofland's German Bitters, in Chronic Dysentery and Functional Derangement of the Liver, and its concomitant evils, I am desirous of obtaining a quantity of it for the benefit of my community. You will, therefore, please send a lot, &c."
